Founded in 1982, TWGHs Yau Tze Tin Memorial College has been rooted in Tuen Mun for 44 years. Guided by our school motto, "Diligence, Frugality, Loyalty and Faithfulness", we are committed to whole-person education, nurturing positive values in our students and fostering academic growth, moral character and overall well-being.

1 拓展英語、STEAM與未來技能
Developing English, STEAM and Future Skills

學校特別重視學生語文能力、STEAM 素養及共通能力的培訓。透過豐富的學習資源和獎學金、境外交流機會，以及額外增聘外籍英語教師，本校致力拓展學生的國際視野，提升其溝通能力、創意思維、解難能力及自信心。

We place strong emphasis on cultivating students' language proficiency, STEAM literacy and generic skills. With rich learning resources, various scholarships, overseas exchange opportunities and additional native-speaking English teachers, we are committed to broadening students' international perspective and enhancing their communication skills, creativity, problem-solving abilities and confidence.

2 營造閱讀與自主學習氛圍
Promoting Reading and Self-Directed Learning

為營造濃厚的閱讀文化與自主學習氣氛，學校不僅打造全新圖書館及自學資源中心，更致力提高校園學術氛圍，引導學生在知識探索中穩健成長，奠定終身學習的基礎。

To foster reading and self-directed learning, we have established a new library and Self-Access Learning Center (SLC) to enhance our academic atmosphere and empower students to grow through knowledge discovery and build a foundation for lifelong learning.

3 重視德育、禮儀與關愛教育
Emphasising Moral Education, Etiquette and Care for Others

本校將德育與禮儀教育有機融入課程及校園生活，培養學生懂得尊重、感恩、守禮及承擔責任。同時，學校透過設立「貓 Café」、推動「晨跑」等特色活動，深耕人文關懷，滋養學生身心靈健康，促進平衡發展。

Moral and etiquette education are integrated into our curriculum and school life, nurturing students to become respectful, grateful, courteous and responsible individuals. Through initiatives such as our "Cat Café" and morning running sessions, we foster well-rounded growth.
